Made in
LEBANON

MILLENNIUM PAPER PRODUCT S.A.L

ملينيوم للمنتوجات الورقية ش.م.ل

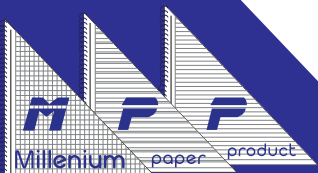

Its 1972 when the founder Khalil Awad started his journey in the space of words, and that was the beginning of Scientific Library.

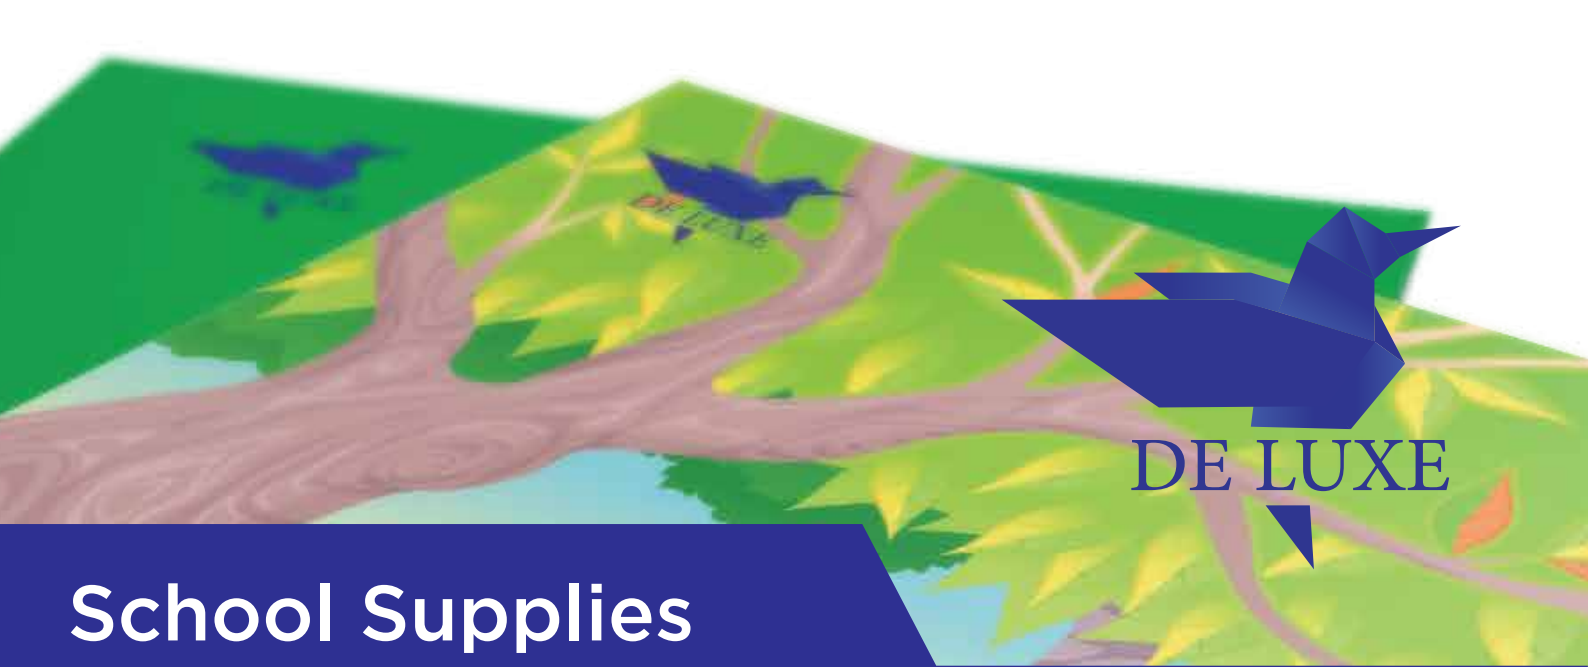

And today the family, despite all the challenges and fears in investment, pushed off from Byblos, with Millennium Paper product after their successful and ongoing experience in Algeria since 2000
Using modern technologies and international machines German, Swiss and British.

MPP's products are distinguished in the Lebanese and Arab market, by their high quality, competitive prices, precision in finishing and packaging

Our brand MPP is designed with a fastidious eye for detail and come in a wide variety of sizes, formats and colour combinations.

Mpp is to suit every need- school, office, home, personal use
